The Purpose of Campus TEAMS and Community TEAMS is to minister to the needs of people in order to share the gospel of Jesus Christ and to encourage people in their walk with the LORD.

The difference in function of Campus TEAMS and Community TEAMS is simple: Campus TEAMS operate mainly on the HCC campus. Community TEAMS serve outside of the HCC campus in the surrounding community.

The reason that TEAMS is always capitalized is that it takes a TEAM approach to minister to the needs of those around us. Each TEAM will consist of a Staff Contact, Team Leader, and Team Members.

On behalf of HCC, thank you for serving the LORD and His people through the gifts, talents, abilities, passions, and resources with which God has blessed you!

To God be all glory and praise!
